legaroo™

A man wearing a blue face mask and a dark green winter jacket with red accents is sitting on a train. He is looking out of the window at a vast, snow-covered mountain range. The train's interior is visible, including a blue patterned seat and a black backpack. The scene is captured in a cinematic style with soft lighting.

Transformation of legal industry and its effects on “travel in the new normal”

ALEX THOMPSON

CEO –LEGAROO.COM

The effect of COVID on the legal markets when international borders closed during 2021

- Physical offices closed
- Thousands of in-person meetings with lawyers cancelled
- Many Administrative and Judicial closed, therefore the majority of procedures delayed
- Who's the New Lawyer after COVID?

The current travel industry and its effect on international legal transactions and clients

- 1** Current Environment and proposed solutions
- Health Passports
 - Corporate Travelling Evolution
 - Expected Recovery

- 2** Current Challenges
- The anarchy in information
 - The need of Legal Assistance

- 3** Current Opportunities for Lawyers and Law Firms
- Self-Analysis
 - Specification
 - Transition between Area of Expertise to Product Development
 - Innovation
 - Dissemination
-
